Purpose
The Department of Housing is responsible for delivering safe, secure and appropriate social and affordable housing programs for Territorians.

Vision
Housing choices that meet the needs of Territorians.

Mission
Working in partnership with the private sector, governments, non-government agencies and communities to increase the supply and sustainability of housing across the Territory.

Strategies
• Deliver appropriate social housing programs.
• Improve Indigenous housing.
• Deliver affordable housing choices.
• Reduce homelessness.
• Improve safety and security for public housing tenants and neighbours.
• Provide home ownership opportunities.
• Increase capacity of staff to deliver services.
Raising the profile of Housing and your assistance – remember our Mission?

Working in partnership with the private sector, governments, non-government agencies and communities to increase the supply and sustainability of housing across the Territory.
